Badges

Each Petal or Badge session is 2 hours long and offers a way for girls to earn a badge in a unique and fun setting. Each session is \$100 per program, which holds up to 25 girls and 2 chaperones. Additional participants will be charged \$10 per girl/ \$5 per chaperone. Give us a call if your troop would like to earn a specific badge, and we will be happy to work with you. To schedule any Girl Scout program, fill out the online registration form found on our Scout page.
