How to Register for Multiple Camps Online

1. You will need to select the first week/day of camp you would like to register for. If you are a Museum Member you will need to sign-in to your online account, if you have not yet set-up your online account you will need to register. Once you have done this follow the steps below.

2. Next, you will need to select the ticket that matches your needs and then enter the qty. of children you are trying to register for this week of camp.

3. A gray box “form” will appear below. You will need to fill out the form fully and then hit the “ADD TO CART” button at the bottom of the page. If you did not fully complete all fields the form will not go through until you do.

4. You will then be taken to your “cart”. The camp(s) you just registered for should be seen here. To add additional camps you will need to click on the button that says “RETURN TO MAIN SITE”. You will need to repeat steps 1-2 (minus signing-in again or registering)

5. A gray box “form” will appear below. This time a small white drop down box should appear in the upper right hand corner of the form and it should say “Autofill with”. Click the drop down arrow and your child’s information should be saved here and should populate just how you previously filled it out. Once it does hit the “ADD TO CART” button at the bottom of the page. It will take you back to your cart which should show all items you have registered for. Complete these steps until you have added all items to your cart and then check out. If you are a Museum Member your discount will show up during check-out.
