TREE TO TREE ADVENTURES

The Tallahassee Museum Preschool offers high quality early childhood education programs for children ages three to five years of age. The information in this booklet has been put together by the early childhood staff to help acquaint each parent/guardian with Museum policies and procedures for the preschool program.

Our Mission

Our mission is to promote outdoor education and exploration that inspires children's natural curiosity. We are dedicated to fostering a positive relationship between young children and the natural world. Through hands-on exploration of the outdoors, we aim to inspire an appreciation for the world and learning that will last a lifetime. We strive to provide a safe, nurturing, and welcoming environment where children can engage in meaningful play, develop their curiosity, and cultivate a sense of wonder about the world around them.

By creating a safe and supportive learning environment, we aim to create a community of learners who are confident, inquisitive, and empowered to explore and protect the wonders of their world.

Preschool Program Objectives

- Children learn decision making in a supportive environment where choices are offered.
- Children learn responsibility.
- Children use tools such as magnets, microscopes, scales, and magnifying lenses to explore the environment.
- Children verbalize needs to adults and peers. Children learn to share, wait for a turn, and empathize with others.
- Children develop an attention span appropriate to their age.
- Children refine perceptual skills and motor movements in the context of hands-on, theme-related activities.
- Children are involved in language arts and bookmaking. They learn relationships between speech and written words.
- Children learn concepts related to letters, size, number, and color in the context of hands-on, theme-related activities.
- Children participate in activities and share experiences designed to show that learning and the quest for knowledge are stimulating, entertaining, and intrinsically rewarding.
- Children become familiar with science concepts such as interrelationships in nature and conservation within the context of hands-on, theme-related activities.
- Children are prepared for school readiness using the criteria set forth by the State of Florida Sunshine State Standards and Voluntary Pre-Kindergarten (VPK) program.

Lunch and Snack

Campers should bring their lunch and snacks, clearly labeled with first and last name in a soft lunch box with an ice pack. Any food left will be packed up and sent home to allow parents to be aware of how their child is eating. Keep in mind that we often enjoy lunch and snack out on the Museum grounds.

We do not heat up or refrigerate food for campers.

Make sure all food containers sent can be independently opened by your child. If you send prepackaged food (lunchables, string cheese, pouches, etc.) they need to be opened prior to sending or your camper needs to be able to open the package independently.

Please don't pack anything that is a choking hazard.

Whole/round hot dogs, pretzel nuggets, whole grapes, cheese cubes, nuts, popcorn, and any food that is of similar shape and size of the trachea/ windpipe may not be served to any child under the age of 4 according to DCF Child Care Licensing Regulations.

Please cut these items appropriately.

All food must be kept inside lunch boxes at all times. We do not store opened food or snacks inside lunch boxes unless there is an airtight container sent for that purpose. All foods will be checked for freshness before being served, determined by sight, smell, and temperature. The Tallahassee Museum Preschool reserves the right to refuse serving any food that is not fresh, does not meet food safety or nutritional guidelines, or if it is not age-inappropriate.

CAMP TIME

Drop Off:

You are to park in the Museum parking lot and walk your child to the preschool for drop off. Please help us teach good habits by arriving on time. Drop off time for camp starts at 8:30AM Monday-Friday. Campers may not be dropped off any earlier than 8:30. All campers must be signed in by a parent or designated adult. **Tallahassee Museum Preschool does not offer extended care hours.**

Pick Up:

You are to park in the Museum parking lot and walk to the preschool for pick up. All children must be signed out by a parent or designated adult.

Pickup is at 4:30PM.

Anyone arriving after the pick-up time will be charged \$1.00 per minute. The late fee amount will be reported to the office and you will be contacted by office personnel with the amount and information you will need to pay your fee.

All individuals picking up a camper must show ID and must be listed as an authorized pick on your registration application. If someone else will be picking up your child, you must provide **written consent and they must provide photo ID at time of pick up.** If you need to pick up your camper early, please notify the teacher when you drop off your child so that we can best accommodate you.

ABSENCES

Tallahassee Museum Preschool securing a spot for your camper in our program, no credits, pro-rates, or refunds can be given. That spot is held for your child whether or not he/she attends.

ILLNESS OR ACCIDENT

If your camper is ill, please keep him/her at home. If a camper shows sign or symptoms of a communicable disease you will be contacted to pick up your camper immediately. If parents cannot be reached we must call your designated emergency contact.

All accidents will be documented with a parent signature required. You must keep us updated with new telephone numbers and email addresses.

MEDICATION

Tallahassee Museum Preschool does not administer nonprescription medication. Prescription medication must be in the original container with a label stating the name and contact of the physician, child's name, name of the medication, and medication directions. The preschool must have written authorization from a custodial parent or legal guardian to give prescription medication.

FIRE DRILLS & EMERGENCY PREPAREDNESS

DCF Child Care Licensing Regulation requires fire drills and emergency preparedness drills (such as inclement weather) to be held monthly to acquaint campers with emergency evacuation procedures. Dates and times are posted in the classroom after each drill occurs.

REGISTRATION

Campers: Weekly tuition is paid electronically at the time of registration. Camp registration may be canceled 2 weeks prior to the camp week or with a medical note.

**Tallahassee
Museum**

TREE TO TREE ADVENTURES

ATTIRE

Dress children for outdoor play. **Closed-toed/ non tie shoes are required.** Please remember that part of our day is spent on our trails and the farm. Please bring a labeled change of clothes to be kept at the preschool for emergencies. Parents need to change out your child's change of clothes according to the weather. Please help teach your child to put on and take off coats and gloves independently.

LOST AND FOUND

Please label all items from home. You may check with the Museum's lost and found at the Admission desk. Items are held for 14 days.

TAXES

The Museum tax identification number is 59-0838924. We suggest you consult a qualified accountant for information concerning tax credit for preschool programs.

TUITION

NO PAYMENTS WILL BE ACCEPTED BY THE PRESCHOOL DEPARTMENT.

Campers: Weekly tuition is paid electronically at the time of registration. Camp registration may be canceled 2 weeks prior to the camp week or with a medical note.

TALLAHASSEE MUSEUM DISCIPLINE STATEMENT

Our goal, as staff members of the Tallahassee Museum, is to encourage and nurture self-discipline in our campers. We can achieve this goal by taking positive action to develop a healthy learning climate and by using effective intervention techniques to interrupt inappropriate behavior. To create a healthy learning environment, the teacher will provide the campers with love and respect. The teacher will provide a balance of interesting, stimulating, and challenging physical and intellectual activities for the children.

Discipline: Discipline should be positive, clear, consistent and fair. Florida law prohibits any form of discipline that is severe, humiliating, frightening, or associated with food, rest or toileting. Spanking or any other form of physical punishment is prohibited by all child care personnel.

IMMEDIATE DISMISSAL

1. Any child who runs away from the staff will be removed from the program. If staff cannot convince a child to return, the police will be called. Staff is not permitted to chase after children or leave the site.
2. Any child who harms himself or another will be removed (physical and/or verbal abuse)
3. Any child who abuses staff will be removed.

Physical violence is not permitted in this program. The Tallahassee Museum reserves the right to dismiss a participant whose behaviors endanger the safety of themselves or others.

PARENT CODE OF CONDUCT

Parents are expected to follow the program rules and treat the staff with respect. All program and/or staff issues, comments, and concerns should be directed to the Preschool Director. A child whose parents verbally abuse staff will be removed from the program. This includes sarcasm, criticism, yelling, screaming and/or negative comments directed at other staff/parents. The police will be called to remove any parent who appears out of control.

Tallahassee Museum Preschool does not endorse or insure our teachers outside of the workplace and ask teachers to refrain from accepting or offering outside childcare services to families of our center to include babysitting or transporting. We ask that you maintain professional boundaries and do not ask teachers to babysit or transport your child.

TOILET TRAINING & ACCIDENTS

Parents are required to take your child restroom prior to entering the classrooms or play yards every day upon arrival. Even if your child used the restroom at home you must take them to our restroom to wash hands.

Children must be toilet trained before they may enroll in the Museum's preschool and camps. A child being fully toilet trained includes the following:

- 1) Be able to TELL the adult they have to go potty BEFORE they have to go. They must be able to say the words "I have to go potty" BEFORE they have to go.*
- 2) Be able to pull down their underwear and pants and get them back up without assistance.*
- 3) Be able to wipe themselves after using the toilet without assistance.*
- 4) Be able to get on and off the potty by themselves.*
- 5) Be able to wash and dry hands.*
- 7) Be able to postpone going if they must wait for someone who is in the bathroom or if we are outside and away from the school.*

Please bring a labeled change of clothes to be kept at the preschool in case of an accident. This should include underwear, pants, shirt and socks. If the child requires bathing after an accident a parent will be contacted for pick up. If a child has frequent accidents, and does not appear to be toilet trained, the child will be withdrawn from the program.

INSECT REPELLANT AND SUN SCREEN

Parents or caregivers should apply these products prior to the start of camp, either at home or outside the building. Children are NOT permitted to have these items in their lunch box or cubby. Please be aware that the combination of several strong smelling oils and repellants in the classroom and hallway can cause breathing difficulties and severe headaches for children and staff.

CONFIDENTIALITY STATEMENT

The Tallahassee Museum Preschool employees will respect the confidentiality rights of every child who attends this child care facility. They understand that the confidentiality of each child's information is strictly maintained to protect the privacy rights of the parents and children. They pledge that they will not discuss or otherwise communicate any form of information concerning the care or condition of any child with unauthorized individuals.

TREE TO TREE ADVENTURES

REST TIME & MATS

Tallahassee Museum Preschool believes that rest time is vital for children's healthy development. Children will have a rest time of 1 and a half hours to relax with soft music and dimmed lights. Children will be provided with a nap mat. Children are not required to sleep but are required to stay on their mat and respect the other children's right to sleep. Parents are responsible for bringing a blanket and a stuffy for rest time.

Camp only: Occasionally, a G rated movie will be played at rest time for spring and summer camp only.

REASONABLE CONCERN

A camper will not be released to any designated pick-up person if the staff suspects them to be under the influence of alcohol or medication. The staff will call the next designated pick up contact on the child's file to arrange for an alternate pick up.

I hereby acknowledge that I understand that it is my responsibility to read the Handbook and familiarize myself with the policies contained therein. I agree to comply with all of the policies and procedures.
